WOMAN SPECIALIST PRENDERGAST AND IN 'CHREAPPRACTIC' IS SENT TO TOMBS

Mrs. Arnold Is Remanded for Commissioner Tomkins's Idea Sentence After Pleading Guilty to Violating Law.

Coropractic, the science which, it is ned, puts you in normal condition by the removal of the cause of disease or by the adjustment of vertebral irwith the illegal practice of medicine. one year's imprisonment and a fine of of enormous expense.

in a luxurious apartment in the Neat Broadway and Seventleth street. She has a large clientele and, according to Lawyer John G. Dyer, counsel for the County Medical Society. derives an income of nearly \$23,000 a one time was president of the Columbia College of Chiropractic, at No. 825 Fig-teenth street, N. W., Washington, D. C. She was arrested April 25, 1911, after a visit to her apartment by Frances Benzeary, detective for the County Medical Society, who had an alleged ocated shoulder blade treated by

Mrs. Arnold. James W. Osborne, who represented Mrs. Arnold in the police court proceedings, after she had been held for trial in the Court of Special Sessions. hed her case submitted to the Grand Jury on the ground that chiropractic was a religion, and she was but practising the tenets of her faith. The Grand Jury, however, filed an indictagainst Mrs. Arnold. She has

since been at liberty under \$500 ball, There was a large number of Mrs. Arnold's followers in Judge Malone's court to-lay. Ernest C. Coulter, who plead guilty.

"The defendant admits the technical violation of the Public Health law." of her business, however, she did not violate the law. It was her custom to work in conjunction with a regularly licensed physician, and to do nothing until he had diagnosed and prescribed.

'On the day in question a woman who claimed to be in great pain from an injured shoulder blade catted on her and she did try to relieve the pain by massage. In that, as we are obliged to admit after a careful consideration of the sweeping provisions of the Glanted Insurance Public Health law, she did commit a

Public Health law, she did commit a technical violation.

"The great number of letters which I have here, however, many of them from men in high esteem in this country, addressed to Mrs. Arnold personally, show she has been a great benefactor in her field.

"Uudges, bankers, business men of high standing write here in expression of their esteem of this lady and in appreciation and gratitude for what she had done for them. I find here letters from fourteen members of Congress full of earnest praise for her. Surely these distinguished personages cannot be accussed of encouraging a criminal state of the surgery of the surgery these distinguished personages cannot be accussed of encouraging a criminal state of the surgery than the end of six months my weight had tallen to 129 nounds. I was troubled with night sweats, a severe cough and was very weak, having in feat absolutely no ambi-

MITCHEL ATTACK **NEW DOCK PLAN**

for South Brooklyn Waterways Under Hot Fire.

Neither President Mitchel nor Comptroller Prendergast are satisfied with the plan of Dock Comepissioner Tomwaterities, received a blow before kins to connect the entire South Brookore Malone in General Pessions to- lyp water front-including acquisition of day, when Mrs. Alma C. Arnold, forty- the Bush Terminal-into a great city South Brooklyn water front, they are Mrs. Arnold was remanded to the opposed to many of the Dock Commisbe until Wednesday for sentence. sloner's suggestions as being against The maximum pencity for the offense is public policy as well as on the question

Mrs. Arnold has for many years at the public hearing on the proposed practised chiropractic or "nature ours" | South Brooklyn project at which they sat with President McAneny as a committee. Men interested in the development of the post, the water fronts, commerce and shipping, as well as State officials, including John A. Bensel, year from her practice. Mrs. Arnold at State Engineer and Surveyor, who is watching the city's proposed encroachment on the barge canal terminal to he established near Erie Basin, were present in large numbers.

Commissioner Tomkins, armed with a ix-foot pointer indicated on maps the many details of his "pet" South Brookyn water front enterprise. Both President Mitchel and the Comptroller plied questions, all of which the Commissioner was not prepared to answer. In these emergencies he turned to his engineers and counsel and asked them to inform he committee.

veloped that if the Commissioner's plan prevalls, the South Brooklyn water front will be a prototype of the present system on Eleventh "Death Avenue" with its range of surface railroad tracks over which heavy freight rains would be operated. It was also informed Judge Malone he is now Mrs. brought out that expensive condemna-Arnold's attorney, said his client would then proceedings and legislation will have to be resorted to to acquire pri-vate lands, docks and existing surface posed development, not to say anything of the great expenses of operating a narginal railroad which the Commis-sioner referred to as "the key of the situation as affecting the city's con
